Both 'Space' and 'Mountains' are incredibly detailed, how long did it take you to make these?

I think they were made over the course of a couple of weeks for each one... unlike some other artists I tend to build detail as I go along, so my sketches are pretty basic. When I get into the flow of creating a piece I can see more clearly where to add details.

I love the GameBoy character in 'Mountains', are there references and motifs that you return to time and time again in your work?

Yes there a lot of things I repeat... food and video game icons are among the things you will regularly find in my work.

Created by Jonathan Ball in Affinity Designer

You have some more work made in Affinity Designer on your Behance profile, it's witty and it made me chuckle! Does your work ever make you laugh?

Yes, sometimes :) I have heard that as you get older you tend to laugh less, so I try to make sure I have a lot of humour in my work.
